PAUL GOSAR BETRAYS SENIORS IN BUDGET VOTE

FLAGSTAFF, AZ – Congresswoman Ann Kirkpatrick issued the following statement following Paul Gosar’s vote today on the Republican budget plan:

“Paul Gosar continued his ideological assault on Greater Arizonans today, this time targeting our seniors by voting to dismantle Medicare. Our friends and neighbors are seniors who rely on Medicare for their everyday health care. Paul Gosar voted to break a promise to our seniors today, and we will not forget it,” said Ann Kirkpatrick. **“In Congress, I fought to get our fiscal house in order, and Medicare reform must be part of any serious conversation on long-term fiscal responsibility. Threatening the health of our seniors in order to give tax cuts to millionaires is no way to move our country forward.”**

Former Representative Ann Kirkpatrick has announced her intention to run in 2012 for the House of Representatives in Arizona’s First Congressional District.
